CIRCULAR

For last 3 days undersigned has been talking personally to the Inspectors posted at warehouses of L-1 licencees to get the first hand information about the stock position and to get information why the stock is not available for a week's requirements. The Excise Inspectors when asked about the stock position, failed to give proper reply about stock position which indicate that they are not monitoring the stock position regularly.

In view of the above all the excise inspectors posted at warehouses are hereby directed to ensure the availability of the stock equivalent to the requirement of a week as required under Rule 89 of Delhi Excise Rules, 2010, as non availability of the stock directly causes loss to the excise revenue.

All the Excise Inspectors posted at warehouses are hereby directed to keep constant monitoring of the stock position regularly and shall ensure that proper imports permits are applied and if any violation/non-compliance is noticed, the same should be brought to the notice of undersigned for further action against the concerned L-1 licencee.

It is pertinent to mention that M/s Carlsberg, M/s Som Distillries and M/s Batra Breweries have not brought even a single case even after approval of the licences several days ago. The Excise Inspectors posted at these warehouses needs explanation why they failed to monitor the same.

Further all the Excise Inspectors posted at warehouses are also directed that they will report to the undersigned at 10.00 am everyday about the stock position of the warehouses.
